The *Healing* of Jonathan

Three years ago I worked in a beauty shop. My bosses assisted to the FELLOWSHIP and them, as well as Mrs. Carmen, the wife of the President of the Fellowship, invited me in several occasions, but I did not accept the invitation.

My son was diagnosed with leukemia. I was very affected because he had a very high fever. Due to this situation my boss told me that there was a Convention of the Fellowship, to which he invited me and I accepted.

My son was very sick. He did not wanted to eat. He had no strength to walk and his hair had already begun to fall out.

They requested that those that were sick to come forward. Mr. Richard Shakarian and the other members began to pray for Jonathan. I felt something weird, such as a current sensation that went up and down through my body, something that I had never felt before. I put all my faith in the idea that my son was going to be healed. After the prayer, my son began to sweat. When we came out of the Convention my son did not have any fever. At that moment I exclaimed, "My son is healed!"

On the following day we went to a lunch, which was held at the Convention and Jonathan was walking, running and eating. This caused a great emotion since the day before he could not even walk.

Presently, Jonathan is not receiving treatments, nor chemotherapy and he is healthy. Thanks to GOD!

AN ETERNAL

Bolivar Gomez, Panama

I have been part of the Fellowship for 10 years and it is the best business that I have ever made in all my life. I got to know the Fellowship in Dominican Republic at a very difficult moment in my life, while having some undeserved vacations, which I was taking by medical prescription. During these vacations I took advantage of time in order to plan the bankruptcy of my business. I had indebted the company ten times more than its payment capacity. I did not have peace, my health was very deteriorated, my family relationship was damaged because of the trauma of working for more than 35 years and the failure was imminent.

“After I had everything that I needed, I was still not happy.”

I had worked so much without being successful; the ironic part of this entire situation is that after being a beggar when I was a child, an orphan and abandoned by my father, I was not happy. After I had everything that I needed, I was still not happy, either. All this was happening in my life.

Then, at the airport of that country, a tourist taxi driver picked me up and made me an invitation to a dinner. While I was at the dinner I listen to a life testimony of how God had changed a marriage in all the areas of their

HAPPINESS!

lives, physically, morally and financially. Today I give my testimony of the restoration of my health, family and my business. I no longer have one business, instead, I have three and I am successful, thanks to God.

At present, I am the National President and the International Director of the Full Gospel Business Men's Fellowship International in Panamá. God has given me the privilege to participate in great things in Panama: such as an Iberoamerican Summit, a Latin Summit and this year in July I am going to participate in the Worldwide Convention. ■

“SON, I LOVE YOU VERY MUCH!”

Alberto “Beto” Domingo, Panama

Resentment and hate had accumulated in my heart. The failure of my parents' marriage led to a difficult divorce that marked me from I was two years and up. My father was a person of a strong character who constantly fought with my mother because of my safekeeping. He registered me in a good school because he said he was going to invest in a good education so I could pay him back in the future. I understood that my father wanted me to be a good student and that is what I did.

From an early age, I was always distinguished by my good grades, special diplomas of excellence and good behavior. I was congratulated by my teacher in front of my classmates and she used me as an example. But, when I arrived to my house with my report card, my father looked for the notes that were not excellent and he told me that I was going to be a useless person since I did not do it perfectly. He said that I had to do things 110% perfect.

Thanks to the love that was given to me by my mother, encouraging and advising me, I graduated with honors and I decided to start working with my father in order to pay him back for the investment he made with me. We were successful in the sale of construction materials. Our business really grew. We started to have money, fame and fortune. But, even though I was a good son, good student and good retailer, my father continued saying that I was a mediocre and useless person. As a result I had a lot of resentment and I decided to face him. I even challenge him to fight.

I started to contradict all the orders that he gave in the company. It was hell. Things started to get complicated and the business started to have problems.

We tried to solve our problems with the best psychologists of our country; we even made a blood pact by signing a document in which we promised not to attack each other anymore, but it did not work out.

Richard Shakarian with Alberto and his wife in Panama.

At that moment, I was invited to go to a Fellowship meeting. At the beginning, I did not understand, but I liked the testimonies which started to fill a great void in my life. They told me that I had to forgive my father. It is very hard to forgive a person that has maltreated you for 33 years. But one day a member of the Fellowship asked me to kneel down and kiss my father's feet.

It was a very difficult moment, but I obeyed. When I stood after kissing his feet, my father started to cry. He hugged me and for the first time in 33 years, which was my age at that moment. He told me the words that I had been looking for since my childhood: "SON, I LOVE YOU VERY MUCH!"

We were hugging and kissing for several seconds and that was the beginning of my spiritual and economic restoration. God made us a gift of love and harmony. For almost two years I was reconciled with my father, developing a beautiful friendship until the day he died in August, 2003.

God helped me to solve a situation that I could not solve with my money, nor with my studies and intellect and either with psychological therapy. It was a situation that I could not solve with my own strength, but a situation in which God made a miracle.

Now I have everything I have always desired and I can proudly say that I belong to the "HAPPIEST PEOPLE IN THE WORLD!" ■

Putting God First

Julio Arias, Panama

Born into a family that I considered to be a role model family, my parents provided all of us five brothers and sisters with the best possible example and education.

My father, educated as a lawyer, from one of the most prestigious universities in the United States, showed us a path of success and hard work with high family and personal values. That is what I saw as I grew up and educated myself in Christian schools in Panama and later in schools and colleges in the United States. At only 20 years of age I had completed my education, got married and set off to work in the insurance business here. Early on I got involved in various other business ventures and found myself working very hard, as I had learned to be the road to success.

Three loving children came along the way and work got more intense as success was my prime objective, but all that hard work did not result in complete success. 22 years later I decided to end my marriage and divorced the good woman that had given birth to our three wonderful children.

As I think back now, I wonder what happened to all the good example and education received from my parents that did not guarantee success in the most important project that any man faces, family management. The emotional wound inflicted on my wife and children, through this horrendous decision was so severe, that communication with my wife literally stopped. Only in very important matters involving our children would we communicate and then, usually ended in some kind of argument. Some years go by and I continue to work very hard, travel extensively and "enjoyed" my newly obtained freedom. However, happiness was not really there. I could not figure out why?

About five years later I met this beautiful woman and started a new relationship which ended up in marriage. I must say that she is beautiful

Julio Arias (second from left) with FGBMFI group in Panama.

inside and out and a very successful interior designer. It is through one of her professional acquaintances that I was introduced to the Fellowship in August 1997.

At first, I could not figure out how these men, with their horrible life stories, could have anything to do with me, but slowly I found myself reflecting and realizing that my priorities were upside down. Work was definitely not supposed to be #1 and real success was not a direct result of “things” achieved.

I learned that God, family, work, and church, with the great ingredients of love and humbleness were more in line with Gods’ purpose for our lives. Still with enormous doubts in my mind I decided to apply these new principles in everything I did and that led me to understand that I had to ask my ex wife and children to forgive me for the suffering and pain that I had caused them. I asked God for the strength and wisdom to do this and did it. I must say that up to that moment, all things were done because of “big me”.

I believe that from then on, God started working in my heart, to the point that today, everything I do, I try to make it pleasant to Him. My relationship with my first family has been completely restored. Today, I enjoy my two families as one. We have developed a very close relationship with God, enjoy our church activities, delight serving God wherever He sends me, has blessed us with “real happiness” and to top it all, has given us real success and prosperity in our businesses. Now we can truly say we are part of “the happiest people on earth.” ■

PHARAOH CONVERTS TO CHRIST!

BY RICHARD SHAKARIAN

It was a night-landing on a mission trip to Managua, Nicaragua. Just before the wheels touched down, I saw a big neon sign that seemed to come right through the window, it said, "PHARAOHS CASINO".

I thought of the more than 2 million people we had prayed with in Nicaragua, the thousands of families restored, and the prosperity that now filled the streets of the nation. It made me angry that after all that good work, Satan would come to, "Steal, Kill and Destroy", through gaming establishments.

It seemed several new Casinos had been built. Pharaohs Casino was even in my hotel.

We were there to support the Nicaraguans in a great outreach with over 2,300 men and women sharing their personal testimonies of a better life through Christ.

In thousands of places that week, our teams prayed with 231,000 people.

In the city of Leon, I was honored by the Mayor and asked to speak in a joint press conference. Still upset about the gaming, I took the last 10 minutes to speak publicly against Pharaoh. The Mayor turned white! Later, he told me that Pharaohs had just purchased a property at the entrance to the city with the intention of building a gambling casino.

One of my friends in Nicaragua is the Bill O'Reilly of their TV. Luis Mora is an investigative TV Reporter, covering the nation 5 nights a week in an hour long exposé program. He always invites me on his program when I am in Nicaragua.

We have been good friends ever since he came to Christ, through the Full Gospel Business Men's Fellowship.

Luis invited me to be his only guest for the whole hour.

I began the program by telling the story about how Pharaoh was an evil and corrupt king and how he put people into slavery. He made them work harder for his own benefit. He whipped them and sucked the life blood out of them, their families and their finances.

Little did we know that the President of Pharaohs, Mark McKnight, was watching and getting more upset by the minute!

The next day, I called a press conference. All the Television stations and all of the newspapers came to hear about Pharaoh and the Casinos. I told the reporters that they had not fulfilled their role of protecting the people. They are the guardians of the gates of the city.

I stated that the guardians are the PRESS, the SENATE and the CITY OFFICIALS yet they had allowed Pharaoh and the casinos into their city. There had been no investigative reporting to expose what it had cost and who had helped them get permission.

"I have only been here a week and I already know of businesses ruined, life savings gone and families broken, because of the casinos," I said, challenging the reporters to run stories about the people who had been hurt by the gambling casinos.

Later, the reporters said, that no one had ever spoken so directly to them. They were discussing how they could fulfill their responsibility as the guardians for the people.

Late that night, I called Vangie and told her what I had done. I said, "Vangie, you'll never guess what I did. I was on television for a whole hour talking against corruption and gambling".

She said, "Richard, what is wrong with you? Are you crazy? God called you to win souls, not to close casinos. And besides, don't you know that the mafia is usually involved in gambling?"

I said, "Yes, but it makes me angry that they take everything away from the people". I also told her not to worry because Mario Garcia from Mexico is with me. He kind of looks like me, and I have him walk in front of me when we go by the casino in the hotel.

Vangie said, "Quit joking and come right home".

After our TV program, Luis was afraid to go back to the T.V. station. He remembered that one of the TV reporters had recently been murdered at mid-day at the front door of the station because he reported on something that someone did not like.

Luis was afraid that someone from the casino might go after him. For the next 4 days he did his program elsewhere and sent it to the station by courier.

Mark, the President of Pharaohs, called Luis several days later. He was very upset and demanded to know, "Why are you doing this? Why are you hurting my family?" He asked, "What have we done to you? Do you want us to do a favor for you? Do you want money? What do you want?"

A few weeks later, Mark was meeting with his personal Attorney to discuss some personal issues. Then Mark began to tell his Attorney about our television attack against Pharaohs. His Attorney happened to be a member of the Full Gospel Business Men Fellowship International. Then the attorney invited Mark to join him for lunch. He took him to a FGBMFI lunch meeting.

As he listened to a powerful testimony of a business man whose life was completely transformed by Christ, the Holy Spirit got a hold of Mark. As a young man, he knew about Christ from his Catholic upbringing. Now, once again he was confronted by the power of the Holy Spirit.

Mark made a decision to follow Christ and leave the Casinos behind.

After the meeting he stepped outside and called his wife. He said, "I love you, please forgive me for the way I've lived my life, I want to come home and begin a new life."

Mark went home, and was reunited with his wife and family!

The joy of their relationship was renewed. His children had a new light in their eyes towards him. He even began a Bible study.

He resigned as the President of Pharaohs Casinos, sold his interest, and canceled the gambling palace to be built in Leon. Now his business plan is to build homes and shopping centers.

MARK MADE
A DECISION TO
FOLLOW CHRIST
AND
LEAVE THE CASINOS
BEHIND.

I was recently back in Nicaragua in December '06. Now, Mark, Lewis, and I met as brothers in the Lord. At breakfast, Mark shared his story and our hearts were filled with joy.

That night, Mark came to our Convention and shared his new personal testimony with 5,000 people! The crowd went wild; they were clapping, cheering and praising God.

I recently received a thank you email from Mark. He says, "I am absolutely convinced that there is no coincidence in your visit and my acceptance of Jesus Christ, nor is there any coincidence in the miracles I have seen since August 5th of this year."

Yes, the power of Christ is still greater than the power of Pharaoh! ■

YOUR WILL AFFECTS OTHERS!

There's a familiar saying, "When there's a will, there's a way." That is true in our businesses and families. But it is also virtually true in our stewardship to the Lord and to the Full Gospel Business Men's Fellowship International.

Many times I hear FGBMFI Members say to me, "I wish I could give more to the Fellowship." Well, there is a divine way that you can...through putting the Fellowship in your will.

There has been many times where FGBMFI needed a financial miracle to pay certain bills. We would continue to pray for that miracle. Then, suddenly, from an unexpected source, a check would show up from a will or an estate of a member who had gone on to be with the Lord.

Maybe God is impressing upon your heart to think of FGBMFI when you are "getting your house in order." Your witness for the Lord can continue, long after your graduation to heaven, by putting FGBMFI in your will.

It always pays to think about the future...your future...and the future of the Fellowship. Remember, this is YOUR Fellowship. Planned giving is as easy as: (1) making a charitable gift, and (2) saving taxes. We'd like to make it even easier and simple for you to understand.

Here are some of the best ways to give...and save at the same time: gifts of cash, gifts of stock, gifts of real estate, gifts of life insurance, life income gifts, charitable trust gifts, and wills/bequests.

A will gives you the confidence that upon your graduation to heaven, your possessions will be distributed according to YOUR wishes, not the state's wishes. A will, usually discreetly drawn up by your attorney, can give you many benefits, as well as a tremendous peace of mind. A will can distribute your estate quickly and most economically. A will can minimize your taxes and expenses in settling your estate.

Your will can assist you to give whatever portion of your estate you wish to be used for the Lord's work. Your will assures the distribution of your estate according to your wishes. You can pre-determine who will inherit your property.

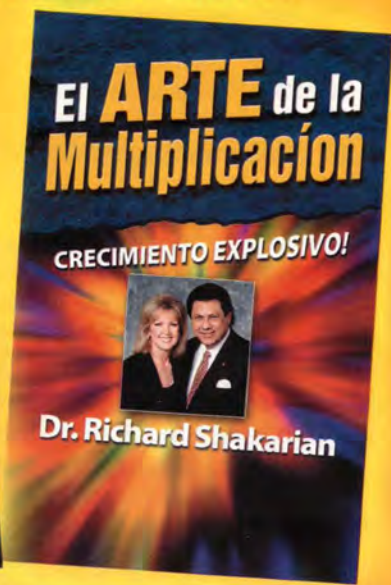

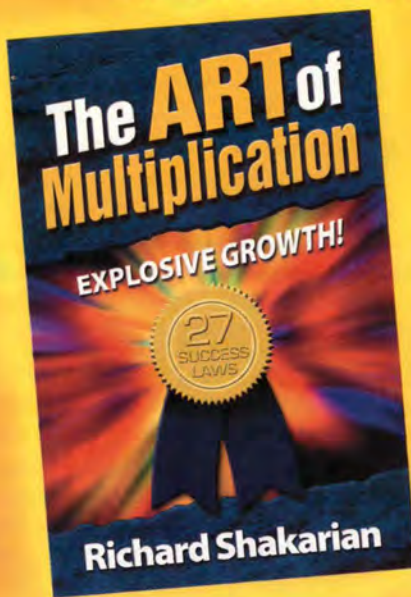

Your will can assist this important ministry that has literally been on the frontlines for nearly six decades. Depending upon your personal situation, certain planned giving can benefit you more than others.

Please prayerfully consider your Fellowship in your estate planning.

YOUR 3-STEP DIAGNOSIS FOR ETERNITY

(Check appropriate boxes)

STEP 1:

When I breathe my last, the next thing is:

- go to hell
- go to heaven.
- stay buried in the grave
- I have no idea.

STEP 2:

Here is what will probably happen:

- I'll spend eternity in hell.
- I'll spend eternity with Jesus in heaven.
- I'll be reincarnated as a "higher being"
- My relatives can visit my grave; I'll be there.
- I don't really know what will happen.

STEP 3: I'm sure because:

- I've led a sinful life
- I've trusted Jesus as my personal Savior
- I've gone to church all my life
- I support charities, even church
- I'm a good person.

TRES PASOS PARA DIAGNOSTICAR SU ETERNIDAD

(Marque el espacio apropiado)

1er PASO:

Cuando yo de mi ultimo aliento, lo que me acontecerá proxicamente es:

- ire al infierno
- ire al cielo
- seguire enterrado en la tumba
- no tengo idea.

2do PASO:

Esto es lo que probablemente sucedera:

- pasare la eternidad en el infierno.
- pasare la eternidad con Jesus en el cielo.
- me re-encarnare como un ser "mas elevado".
- mis parientes podran visitarme en mi tumba; ahi estare.
- no se exactamente que sucedera.

3er PASO:

Estoy seguro porque:

- lleve una vida pecaminosa
- yo he confiado en Jesus como mi salvador personal
- he asistido a la iglesia toda mi vida
- apoye a caridades y a la iglesia
- yo ayude a mi comunidad
- soy una buena persona
